When designing a new playground, who better to ask for design advice than the kids who are going to be playing there. Today, YOU are the expert playground designer, and we would like you to draw a picture or tell us about your dream playground! Your ideas could be incorporated into the final playground design for the new Stoney Pointe Playground Project. Please complete your drawing and return to your teacher by Monday, May 6th, 2019. All artwork will be on display during the community celebration event which will be that evening at our unveiling of our playground design. Location is Reamstown Elementary 6PM May 6th, 2019. Be sure to join us for that event to learn more and see the unveiling of the new playground design! There will be food, games, and activities! This will be fun for the entire family!

Name your Playground! (We will be choosing from these ideas the name of our playground!)
